Review Frequency: Annually or as needed

Version History	Version Date	Description	Prepared By	Reviewed By	Approved By
V.1	May 28,2025	MG: Admin SOPs	AM ARG Aneeq Ahmad	Head DSBA/ARG Mr. Usman Bin Khalid & Head HR & Admin Ms. Zoha Shahzad	CEO Mr. Anees Khawaja

3. Scope & Applicability

This SOP covers all Admin related activities within the group.

4. Department Structure & Responsibilities

4.1 Department Organogram

To be provided by HR.

5. Admin SOP

5.1 Building Repair & Maintenance SOPs

5.1.1 Request Initiation

- Any employee can raise a building maintenance request via the official Complaint/Helpdesk Form.
- Facility Coordinator logs the issue in the Maintenance Register or System.

5.1.2 Inspection & Assessment

- Facility team inspects the issue within 24 hours of complaint.
- Determine the urgency and assign a priority level (High, Medium, Low).

5.1.3 Approval & Cost Estimation

- For minor repairs (≤ PKR 25,000), Admin Head may approve directly
- For major repairs, a quotation must be collected from approved vendors and submitted to Management for approval.

5.1.4 Execution

- Work is scheduled with the vendor or in-house maintenance staff.
- Safety and compliance checks are to be followed during repair.

5.1.5 Completion & Feedback

- Supervisor inspects the completed work.
- Feedback is collected from the complaint raiser to ensure satisfaction
- Close the complaint formally in the system.

5.1.6 Preventive Maintenance

- Monthly inspection checklist must be followed (plumbing, HVAC, wiring, fire alarms, etc.).
- Maintain logs of all activities and keep documentation for audits.

5.1.7 Office Asset Management

- Asset issuance & return (chairs, desks, fans, lockers, etc.)
- Maintain an asset register with serial number tagging
- Damage, loss, and repair/replacement policy
- Annual asset verification and tagging protocol

5.1.8 Hospitality & Event Management

- Internal meeting room booking protocol
- Tea/snacks/lunch arrangements (limits per person/meeting type)
- Event support (decor, signage, seating) for internal functions
- Hotel booking SOPs for guests, auditors, and international partners

5.1.9 Admin Budget & Cost Control

- Monthly admin cost reporting to Finance
- Budgeted vs. actual cost tracking (fuel, stationery, travel, maintenance)
- Cost-saving initiatives (energy, water, automation)

5.2 Vehicle Repair & Maintenance SOP

5.2.1 Preventive Maintenance

- Maintain a vehicle service calendar for oil changes, battery checks, tire rotation, and

air filter replacement.

- Conduct routine inspections every 5,000 km or as recommended by the manufacturer.

5.2.2 Breakdown or Damage Reporting

- Driver must report any damage or abnormality immediately to the Transport Coordinator.
- Incident Report Form must be filled out in case of accidents.

5.2.3 Inspection & Approval

- Transport Coordinator assesses the issue.
- For repairs under PKR 25,000, approval can be granted by Admin Head.
- For higher costs, at least two quotations are obtained and submitted for senior management approval.

5.2.4 Repair Work

- Work is carried out by authorized workshop/vendors.
- Ensure the use of genuine parts and proper billing (including warranty details).

5.2.5 Post-Repair Checklist

- Test drive is conducted.
- Updated entry made in Vehicle Maintenance Logbook.
- Bill submitted to Finance for processing with all necessary documentation

5.2.6 Security & Access Control

- Visitor entry protocols with logbook or digital system
- ID card issuance and deactivation policy (for employees, interns, contractors)
- CCTV management: zones covered, backup period (e.g., 30–90 days), access rights
- Coordination with external security agencies

5.2.7 Documentation & Record Keeping

Document	Retention Period
Maintenance Logbooks	3 Years
Complaint Forms	2 Years
Work Orders	3 Years
AMC Contracts	Validity Period + 1 Year

5.2.8 Safety & Compliance

- All maintenance must comply with local safety codes and company standards.
- Vendors must be verified and compliant with Mahmood Group's vendor policy.

5.2.9 Digital & ERP Integration

- Use of ERP or Admin module for:
  - Requests (stationery, transport, maintenance)
  - Approvals (HOD-level)
  - Notifications and escalations

5.2.10 Legal & Regulatory Compliance

- Coordination with legal team for:
  - Municipal licenses
  - Fire safety/NOC certifications
  - Environmental, health, and safety (EHS) norms
- Document retention and audit trail protocols

5.2.11 Reporting & Documentation

- Daily/weekly admin report formats
- Maintenance logs, visitor logs, vehicle logs
- Monthly dashboard for management (cost, issues, resolution rates)

5.2.12 Emergency & Crisis Management

- Fire drill schedule and SOP
- Emergency contact display at all sites
- Access to first aid kits and evacuation plans
- Reporting and handling of incidents (injury, theft, damage)

5.2.13 KPIs for Evaluation

KPI	Target
Turnaround time for minor repairs	≤ 48 hours
Turnaround time for major repairs	≤ 7 working days
Preventive maintenance compliance	100% monthly checklist completion
Vehicle breakdown frequency	< 2 incidents/month
